OTHER PERTINENT INFORMATION:

1. Applicant owns the uplands adjoining the lease premises.
2. On January 29, 1999, the Commission authorized a General Lease - Recreational and Protective Structure Use to Melodie K. Rufer and Chris J. Rufer, Trustees of the MKG Trust dated October 28, 1988. That lease was for the reconstruction of an existing floating boat dock, ramp and bank protection and will expire on October 30, 2008. The dock was never reconstructed as planned and the Lessee has since transferred ownership of the uplands to Tom Soto. The Applicant is now applying for a new General Lease - Recreational and Protective Structure Use for the existing boat dock, gangway, and bank protection. The Applicant qualifies for a rent free boat dock and gangway because he is a natural person who has improved the littoral land with, and uses the uplands for, a single-family dwelling.
3. The bank protection at this location mutually benefits both the public and the Applicant. The bank of the Sacramento River will have the additional protection from wave action provided at no cost to the public.
4. Staff is recommending termination of the existing lease and approval of a new lease, to be effective as of the date the Lessee transferred ownership of the uplands.
5. **Termination of Existing General Lease – Recreational and Protective Structure Use:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines [Title 14, California Code of Regulations, section 15060(c)(3)], the staff has determined that this activity is not subject to the provisions of the CEQA because it is not a "project" as defined by the CEQA and the State CEQA Guidelines.

Authority: Public Resources Code section 21065 and Title 14, California Code of Regulations, sections 15060 (c)(3) and 15378.
6. **Issuance of New General Lease – Recreational and Protective Structure Use:** Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The

project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

7. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
